# How to connect with us at EduTECH 2024

## ASI Solutions is thrilled to be exhibiting at EduTECH 2024, Australia's largest education conference and exhibition!

At EduTECH 2024, you'll have numerous opportunities to engage with ASI Solutions and discover how we're enhancing classrooms, schools, and communities across Australia through cutting-edge technology.

ASI Solutions will showcase a variety of innovative products and services, highlighting our commitment to delivering top-notch IT solutions for the education sector. Leveraging our industry experience, we'll offer a comprehensive experience with the latest educational technology trends, networking opportunities, and insights from leading innovators.

---

### ASI Solutions Stand (1116)

There's always a lot happening at our ASI Solutions stand (#1116). Visit our stand for live lessons and demos from our trainers, who will share best practices and tips to help you maximise the value of technology on your campus.

---

### NETWORKING EVENT

#### BBQ at The Boatbuilders Yard

**Tuesday, 13 August | The Boatbuilders Yard | 4:30PM | Register [here](#).**

It is no secret that ASI Solutions has been a leading technology provider to schools Australia-wide for almost 40 years, and that success is largely due to the importance we place on collaborative partnership and relationships. Join the ASI Solutions Team for networking drinks and a BBQ on the banks of the Yarra on Tuesday August 13.

Networking BBQ hosted in partnership with STM Goods.
